

My Dad and I have run St. Lucia Tennis holidays for Oshawa Tennis Club players, their friends and other Durham region players for the last 5 years. The idea behind the tennis holiday was to give a unique tour of St. Lucia with my dad and myself who grew up on the island. This is a different holiday from what you would normally experience at an all inclusive hotel vacation. We stayed at the beautiful Landings Hotel resort in St. Lucia the first three years and the trips left the members with a lifetime memory.

We thought a different venue would be a fashionable choice for our fourth year, so we visited St. James Club Antigua for 2016. The Antigua trip 2016 was FULL with, 22 tennis players and 29 total travellers. WOW!

For 2017 we returned to our homeland of St. Lucia to stay at St. James Club Morgan Bay.

This year will be our sixth Tennis Holiday and each year we have seen the numbers increase. We plan to stay at the Club Med Turkoise, Turks & Caicos. Dates will be March 31 – April 7, 2019.

If interested for April, please contact me. You must be an intermediate level player or better to come on the trip. If you are unsure of your level, please contact us by email at kaneeastertennis@gmail.com or john@johneaster.com.
